Safe Installation

⚠ WARNING

- Read all of the instructions in this manual before you begin assembly. Failure to do so may result in faulty assembly and potential injury!
- Check that you have all required parts: Do not attempt to assemble if any parts are missing.
- Use product for intended purpose only: DO NOT stand on furniture
- Double check after installation: Before using the product, after assembly and installation, review instructions and procedures again to make sure nothing has been overlooked

Retain this manual for future use

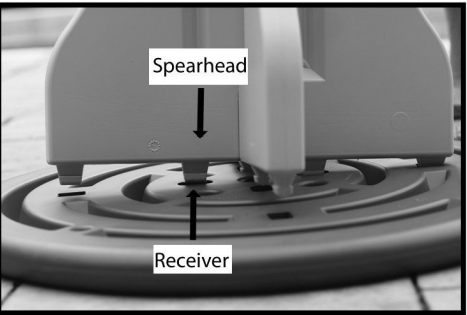

ASSEMBLY:

1. Place the split legs into the bottom of the full leg and tap into place with a rubber mallet

2. Tap the top of the split leg into the opening at the top of the full leg

3. Place the table top upside down such that you can see the bottom of the table. Position the spearheads over the receivers. Tap the bottom of the table legs with the rubber mallet to click the table legs into the table top.

4. Stand the table up and tap the table top ensuring that the table legs are secured to the table top.
