

ASSEMBLY INSTRUCTION

VANOMi

79001 Modular Sofa

Note: This is a **universal assembly manual** for VANOMi's Modular Sofa Collection. The exact items and number of cartons you receive may vary depending on the configuration you purchased.

Carton Note

79001-ST-1 → Contains 1 armless seat.

79001-ST-2PC → Contains 2 armless seats.

(This is the same as receiving two cartons of 79001-ST-1.)

79001-OTT-1 → Contains 1 ottoman.

79001-OTT-2PC → Contains 2 ottoman.

(This is the same as receiving two cartons of 79001-OTT-1)

Before you begin, open all cartons and carefully
check that the parts and quantities match your order.

If you notice any missing or damaged parts,
please contact VANOMi Customer Service right away—
we're here to help.

Assemble Side Seat
79001-Arm Module x 1
79001-ST Armless Seat Module x 2

Assemble Middle Seat
79001-ST Armless Seat Module x 1

Assemble Ottoman
79001-OTT Ottoman Module x 1

Connecting Each Module

1

Open the vacuum-sealed bag carefully.
Avoid using sharp or pointed objects
to prevent damaging the fabric.

2

Press and tap with both hands
from the side to fully inhale air

3

Press and tap with both hands
from the front to fully inflate.

4

Carefully smooth out each
section until the surface is even.

After packing up, place them in somewhere dry and ventilated. After about 72-96hours. it can be restored to the best use condition.

Now it's time to live relax and enjoy your Lounge Couch Modular Seating Group. With countless possible arrangements, you can create the perfect layout to fit your space, style, and comfort.
