Suggested Bulb: A Standard

Socket Type: E26

Watts per Socket / Item: 150/150

A nod to one of the world's seafaring port cities, our Lisbon Floor Lamp, which is made of wrought iron in new brass and satin black finishes, has a stem covered in rattan to bring a nautical feel to its character. Several design notes worth mentioning on this rattan floor lamp are the curvature of the stem that has several sections wrapped horizontally in black, the shape of and details on the off-white linen shade, and the black finish at the top of the base.
