Socket Type: E26

Watts per Socket / Item: 60/60

When a soft glow is desired, milk glass is one of the best materials to diffuse illumination. Our Daze Wall Sconce is made of articulated panels of white milk glass that are joined together by ribs of metal in an antique brass finish. This white sconce, which joins a number of fixtures in the Daze family designed by Clarence Mallari, will turn luminous when it is switched on.
