

# WILDWOOD CHELSEA HOUSE

## 87005814 • Hope Town Console

33h x 62w x 18d  
Rattan

*Amanda's Hope Town Console is equally at ease catching keys in the entryway of a breezy beach house or serving as the sophisticated sideboard in a formal dining room. Intricately, hand-woven rattan cascades from circular details to form two sections for displaying collections or organizing treasures. A perfectly sized glass top finishes the look. Chic, multi-tasking, timeless: this piece checks every box!*
