Assembly Instruction

LGR144K

evermagin@yeah.net

General Guidelines

- Please read the following instructions carefully and use the product accordingly.
- Please keep this manual and hand it over when you transfer the product.
- This manual may not cover every variation or every assembly step. Please contact us when further information and help are needed.

Notes

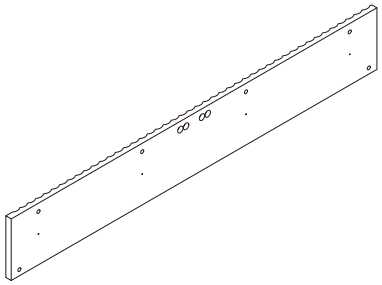

- The product is intended for indoor use only. The product must be assembled and used in accordance with the provisions of the manual. Personal injury and/or damage to the product may occur if the product is used outside its intended purpose and/or if the product has been changed or modified from its original design.
- The seller does not assume any responsibility or liability with respect to any injury/damage caused by incorrect assembly or improper use.
- Avoid long-term exposure to humid environments to prevent mildew.
- Keep the product away from heat sources and high temperatures. Do not expose the product to direct sunlight.
- Do not place any hot objects on the surface of the product.
- If there are any defective or missing parts after unpacking, please cease assembly immediately and contact us.
- Please assemble the item on a spacious surface and do not place the unwrapped product directly on the ground to avoid product damage.
- Please do not stand or sit on the wooden boards.
- Please wear gloves during the assembly and/or disassembly process to avoid scratches from any sharp edges.
- Please match the corresponding part and fitting based on the part number in the manual.
- If the part does not match with the fitting, please check the piece as specified in this manual.
- During assembly, first loosely align all screws with the corresponding pre-drilled holes and then tighten the screws one by one.
- Periodically inspect screw tightness while the product is in use. If necessary, retighten to ensure structural integrity.
- If you accidentally spill water or another liquid on the surface, immediately wipe clean with a dry towel.
- Please keep the product away from sharp, pointed objects and corrosive substances to prevent product damage.
- Please place this item on level, solid ground during use.

Warnings

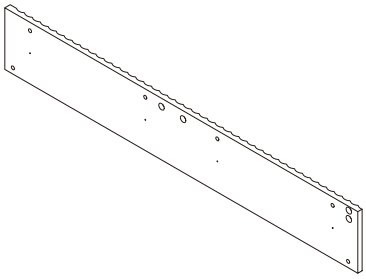

- During assembly, keep all small parts out of the reach of children. It may be fatal if swallowed or inhaled.
- Children should not climb or play on the product in order to avoid tipping over the furniture and causing serious injury.
- To avoid the potential dangers of suffocation, please keep all parts and packaging (film, plastic bags, foam, etc.) away from babies and children.
- Keep sharp objects and corrosive items away from the product to avoid any damage or injury.
- Do not shake or move violently during use to avoid tipping over the product.

STEP 8

Cx4

STEP 9

Reminder: According to the previous steps, the pipes on all four sides must be properly aligned and inserted into each other and into the slots; otherwise, the wooden boards cannot be installed correctly.

Gx11

STEP 10

1. Take out foam from the package and lay it flat on the ground.

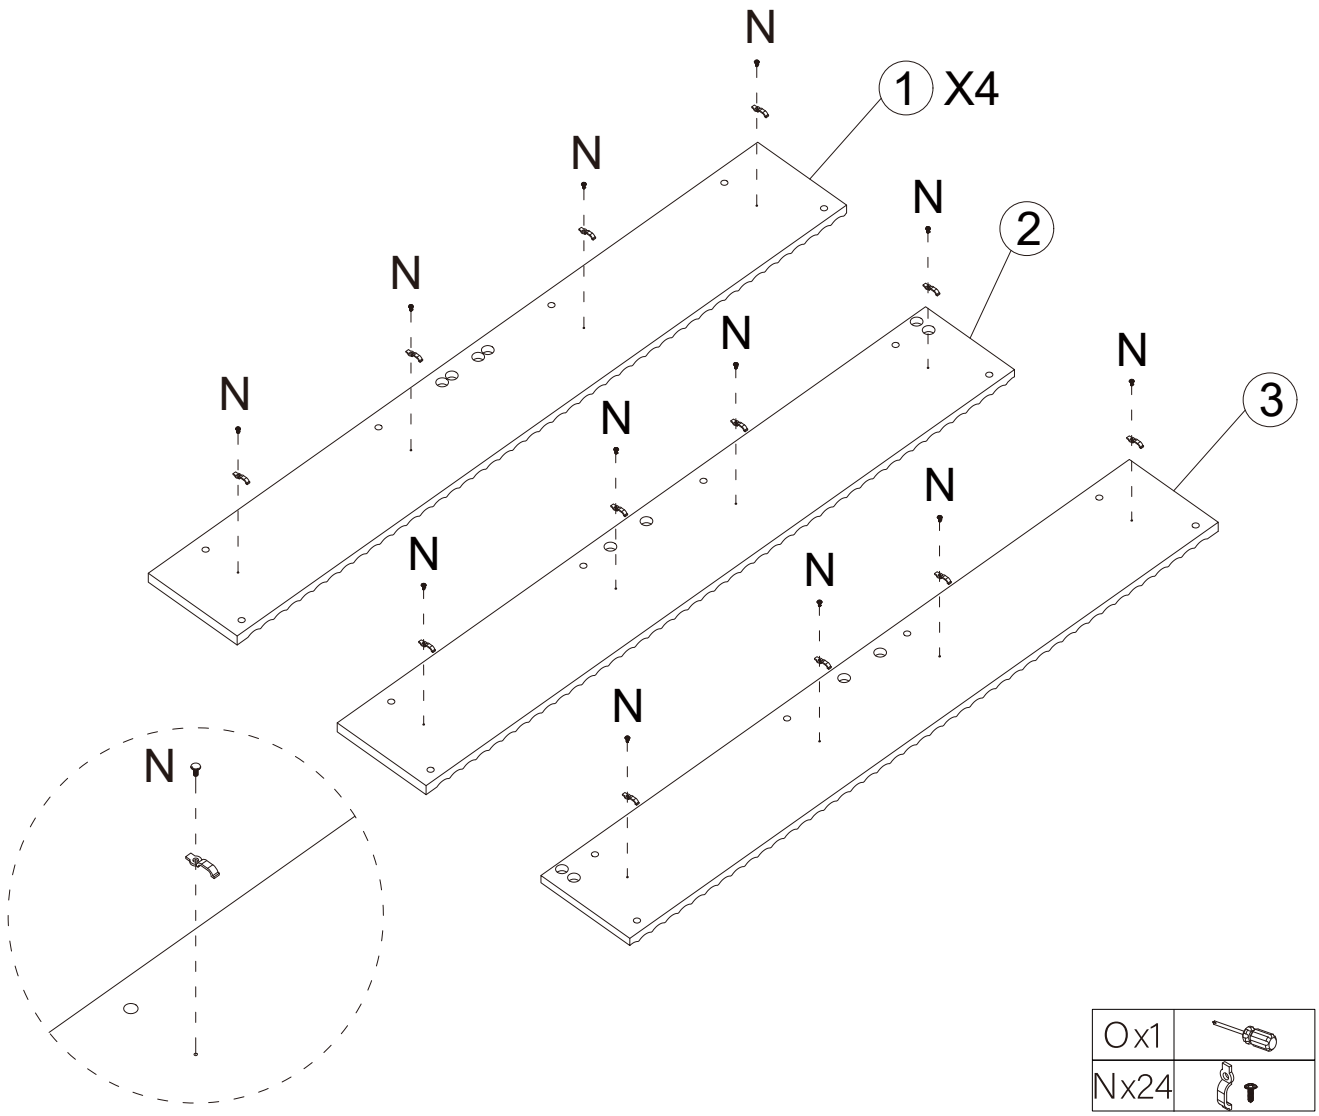

2. Take out the six wooden boards one by one (numbered 1, 2, 3).

3. For better installation, please use this O accessory screwdriver to lock the N accessory, locking it 50%.

4. After completing the above steps, continue with step 11 of the instruction manual until step 14 locks the N part to 100%.

Reminder: Pay attention to safety during installation and do not get your hands injured by screws.

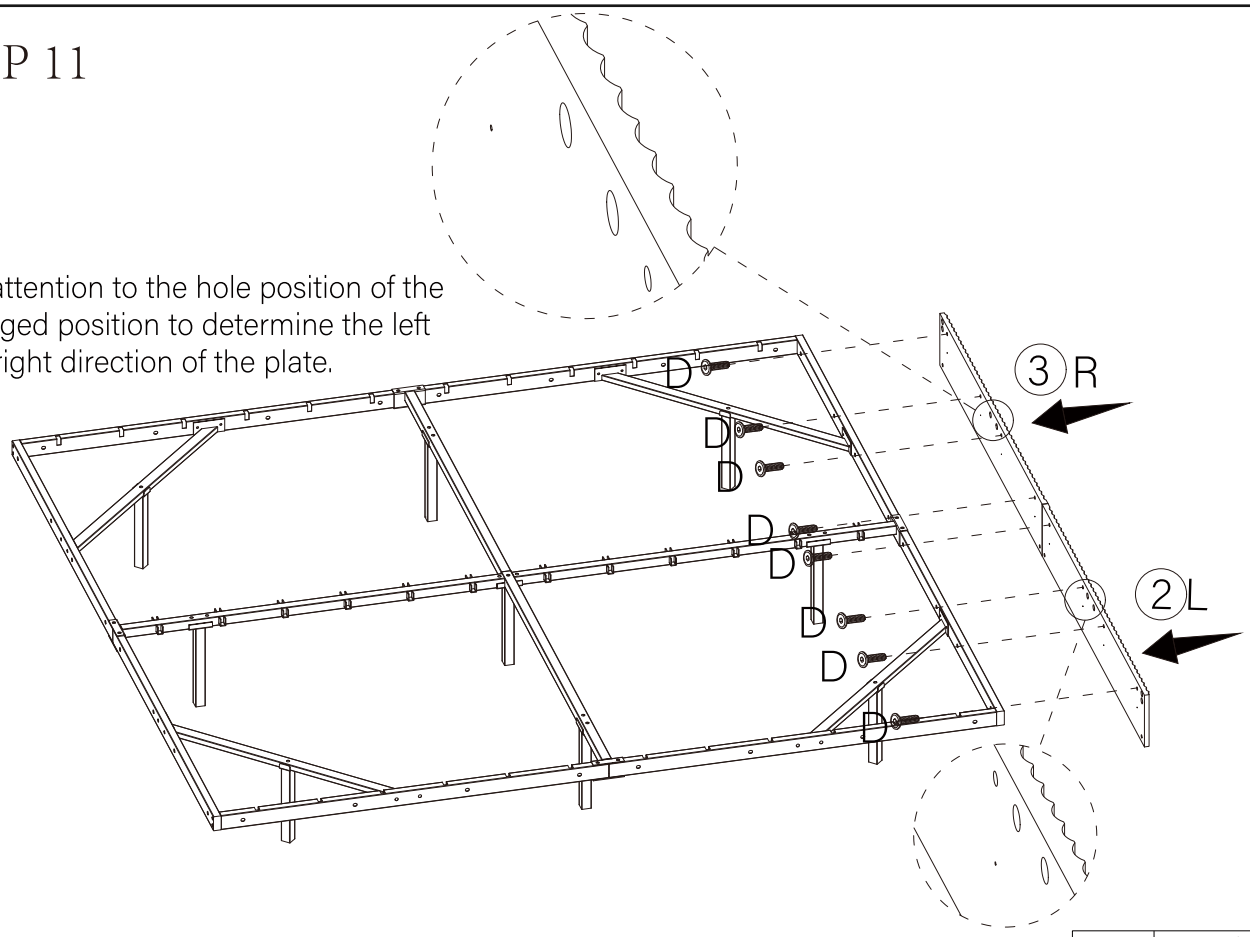

Please lay it flat on the foam to avoid damage to the wavy shape of the board

Ox1

STEP 16

E x4	

STEP 17

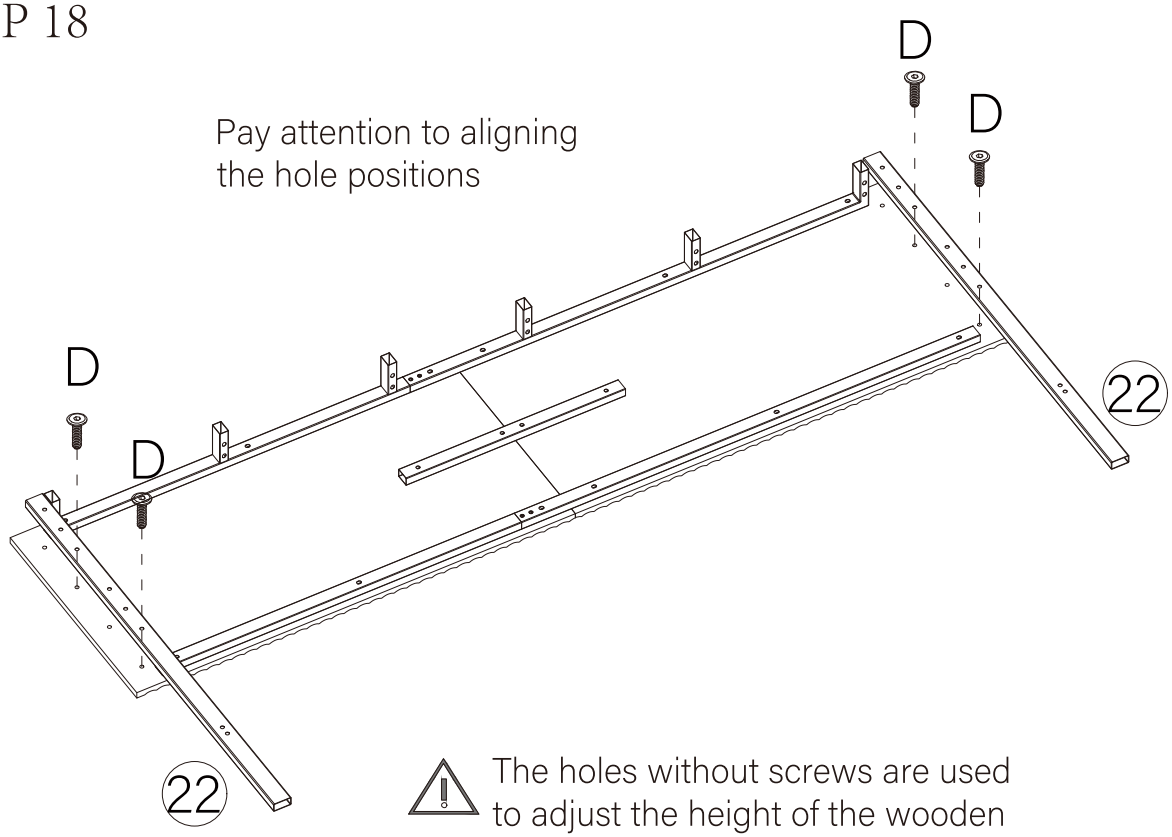

Please place the backboard flat on the ground and keep it level up and down, then tighten the screws

J x2	
Dx16	

STEP 18

Pay attention to aligning the hole positions

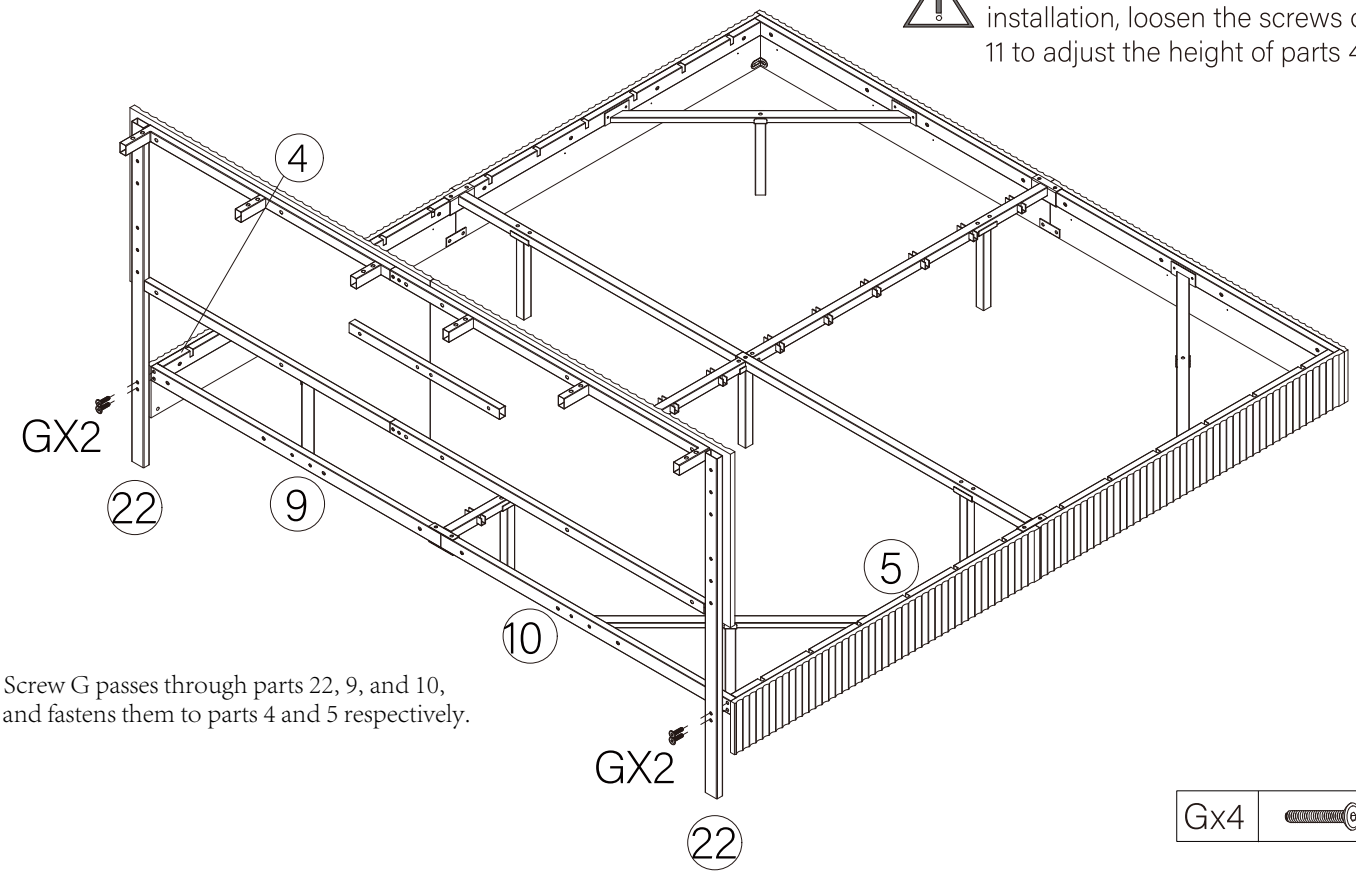

The holes without screws are used to adjust the height of the wooden board, and can be adjusted by locking screws into different holes

Dx4	

STEP 19

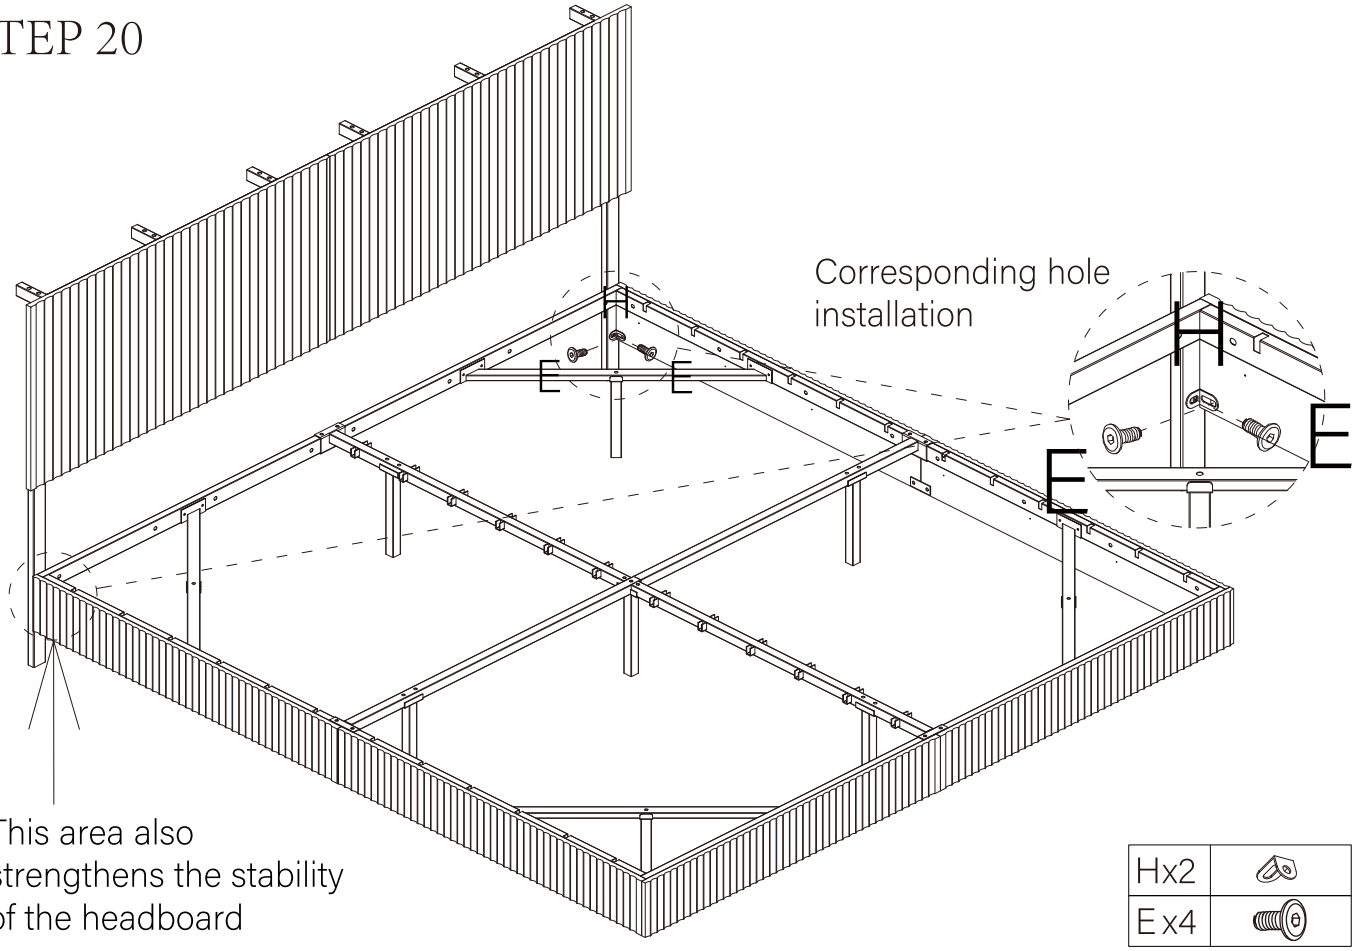

If the screws cannot be aligned for installation, loosen the screws of part 11 to adjust the height of parts 4 and 5

Screw G passes through parts 22, 9, and 10, and fastens them to parts 4 and 5 respectively.
