

Installation steps:

- 1-2; insert the lamp arm into the hole of the lamp body
- 3-4: lock the lamp arm with screws and nuts
5. Connect the lamp cap line with the line of the same color as the main line with a terminal cap
6. Close the lid
7. Tighten the nut
8. Buckle the chain into the lifting ring, and then tighten the movable buckle
9. Fix the hanging board on the junction box with the screws on the accessory package
10. Connect the main line of the lamp body with the wires reserved on the ceiling with wiring caps
11. Cover the junction box with a top plate
12. Tighten the ring
13. Twist the bulb to the lamp holder

Attention:

1. Please cut off the power supply before installation to prevent electric shock (installation by certified electrician is recommended)
2. Due to the different display, the actual color can be different from the image
3. Due to the manual measurement of lamp body size, there may be a deviation of 1 / 2 inch
