Identify, sort and count the parts before assembly.

The warning, cautions and instructions listed in this manual may not cover all possible situations that may arise when using the product. Please contact us via homelifeservice@hotmail.com if you need further help.

Q&A

Q: Where can I get installation instructions?

A: You can also contact us if you need an electronic instruction document or further assistance.

Q: Can I complete the installation independently?

A: if you need to install the chair independently, we recommend that you put the seat cushion on a higher table or chair to assist your installation. please refer to our instructions.

Q: How to adjust the lumbar support?

A: The height of the lumbar support can be adjusted by pushing the plastic slider up and down. (Please keep your back away from the backrest for smooth adjusting of the slider.)

Q: How to adjust if the chair is tilted forward?

A: It may be due to the wrong orientation of the tray and the seat cushion, please keep the tray and the seat cushion in the same direction as indicated.

Q: If the screws are not aligned with the holes during installation, how can I adjust them?

A: You can put the screws into the corresponding holes first, and tighten them halfway. And then fully tighten all the screws after the screws are set.

Q: What should I do if the package lacks some components?

A: Please feel free to contact us for prompt help if the package lacks some components.

Q: What should I do if my package were damaged?

A: Long-distance transit may cause damage to the item under special circumstances, please feel free to contact us for prompt help.
