

Assembly Instructions

Caution : You must read this before you proceed

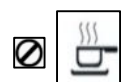

Care & Maintenance

- Not for commercial use. For residential use only.

- Furniture may scratch floors. We recommend using furniture pads to protect your floors.

- Do not put hot items directly on furniture surface.

- Do not clean furniture with harsh cleansers or polish.

- Do not place furniture under direct sunlight.

- Do not place furniture near heating or cooling vents.

- Do not write on furniture without a padded barrier to protect the surface.

- Do not place furniture outside . For indoor use only.

- Stains may be removed with mild soap solution and damp cloth.

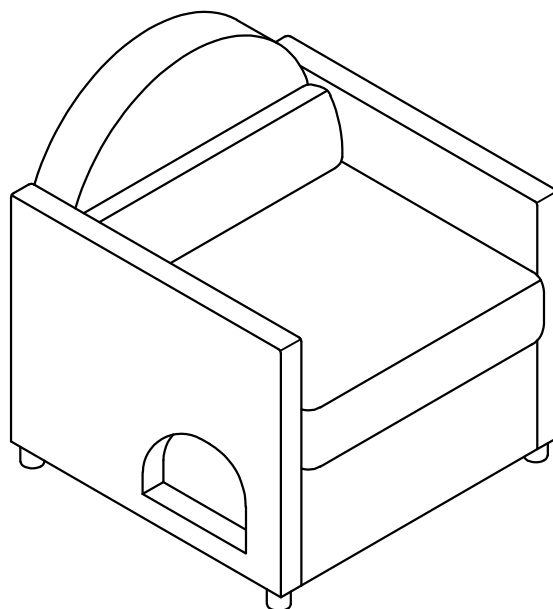

- Children should not climb or jump on the furniture.

- Dust and pick-up spills using a clean, non-colored, lint-free cloth.

Please look in under the seat for hardware packs and legs.

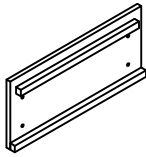

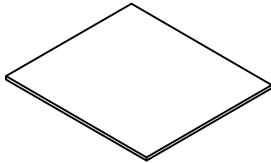

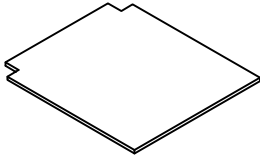

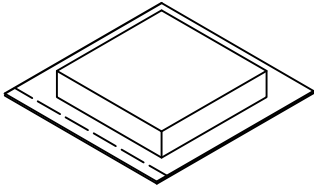

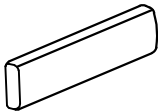

Pet friendly chair

Assembly Preparation

Before
Beginning
Assembly:

• Read instructions, cover to cover.

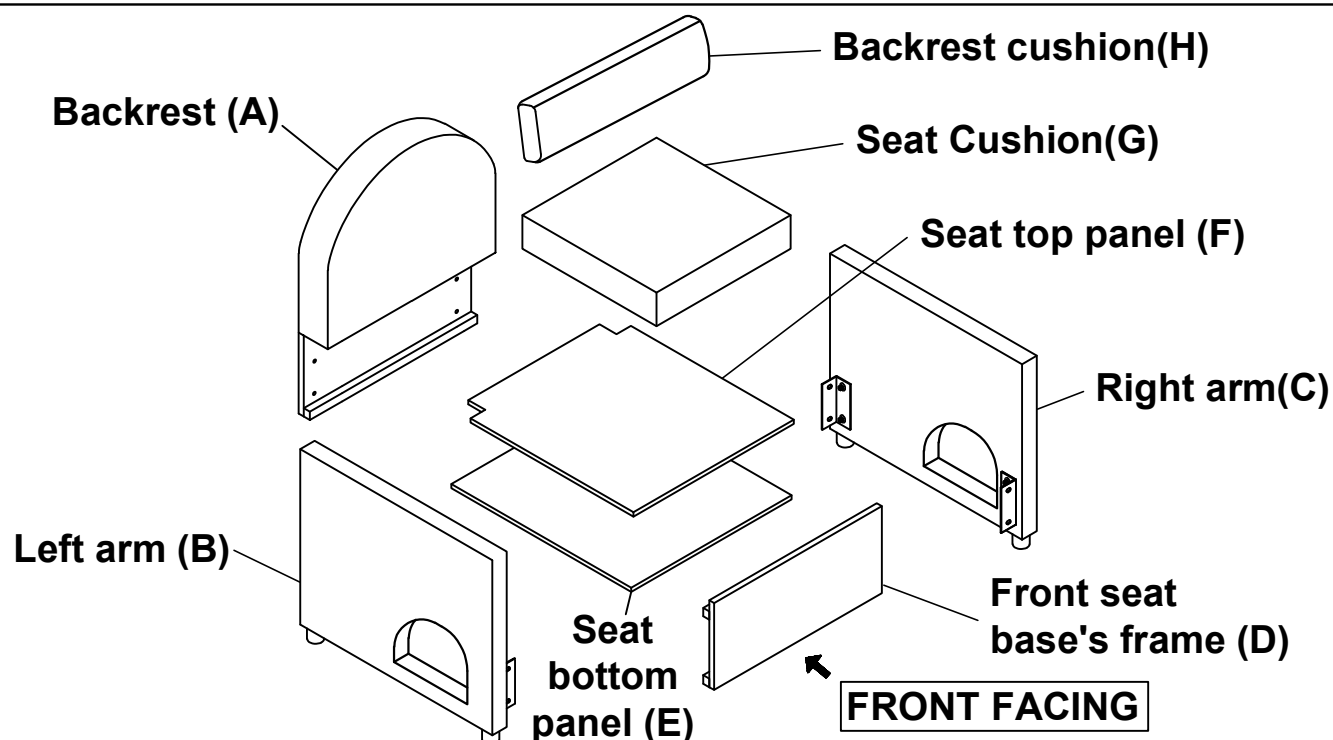

• Have 2 adults on hand for assembly.

• Do not assemble on flooring or carpet.

• Assemble on a clean non-marring surface (packing foam).

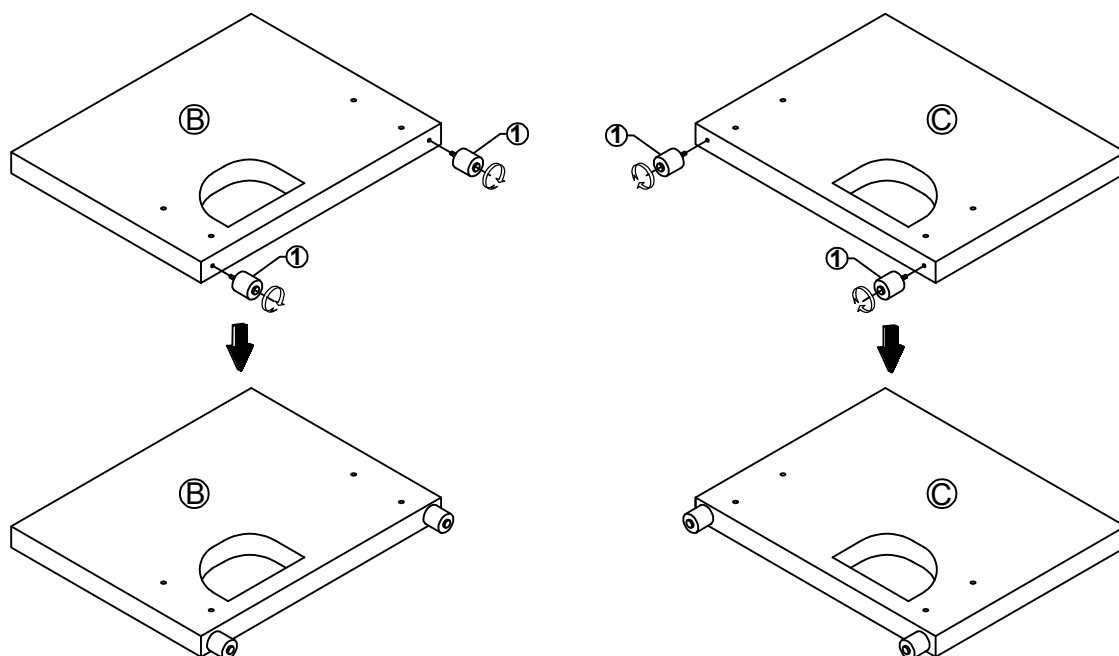

• Save all packaging until finished.

Assembly Steps

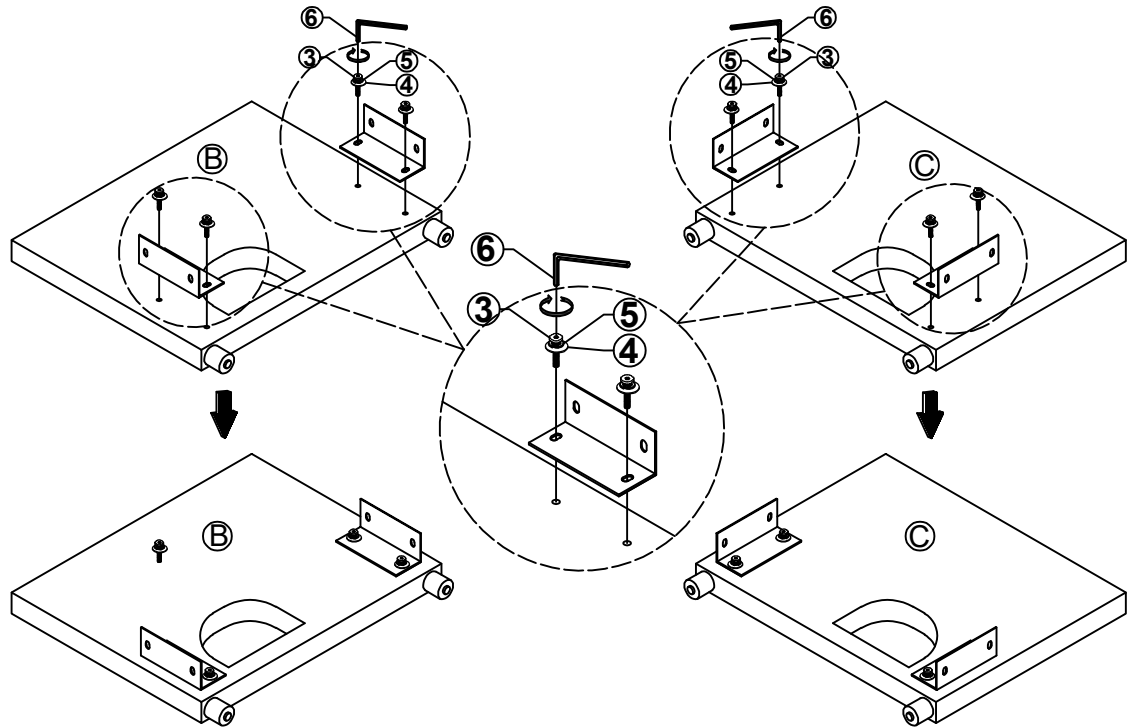

This chair may require up to some 30 minutes to assemble. To give you an overview of the product parts, the above picture is to help you put the various parts into perspective. Please read through the instructions below to familiarise yourself with the parts and steps before assembly.

Step 1

Attach the legs (①) as shown in the image above.

Step 2

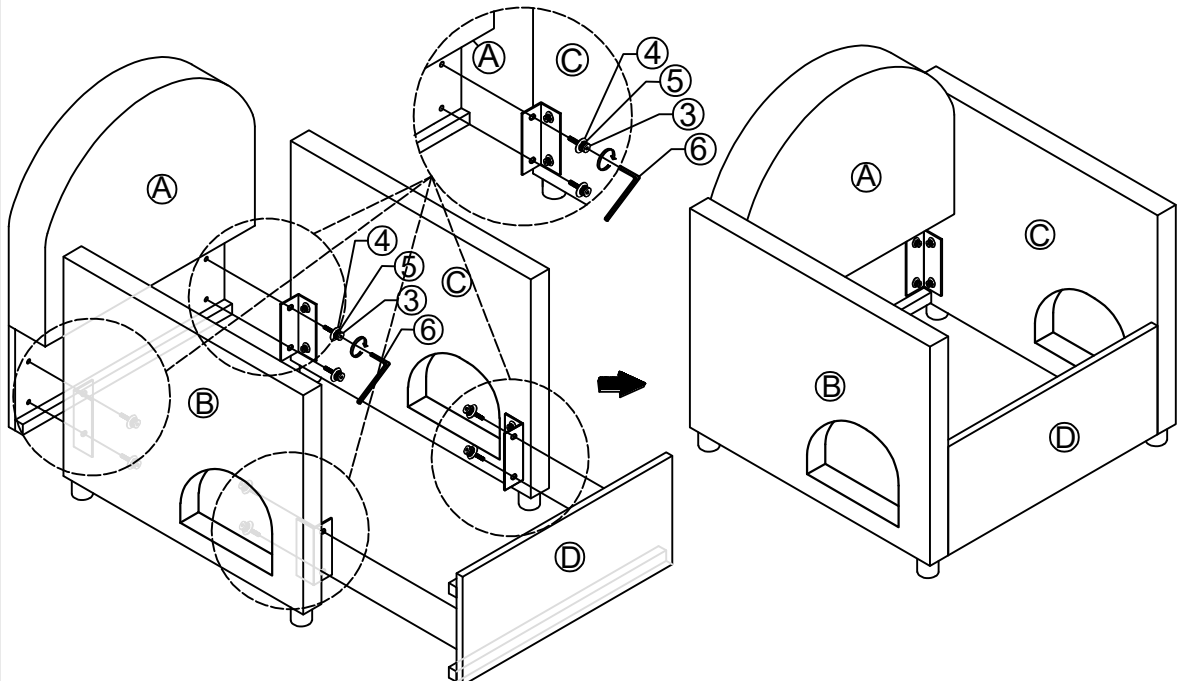

Attach the Metal Pads (2) to the left arm (B) and right arm (C). Using one Bolt (3) by placing one Flat Washer(4) and one Spring Washer(5) on each one mounting position with Allen Wrench(6).

Repeat the same process to install the remaining three metal pads.

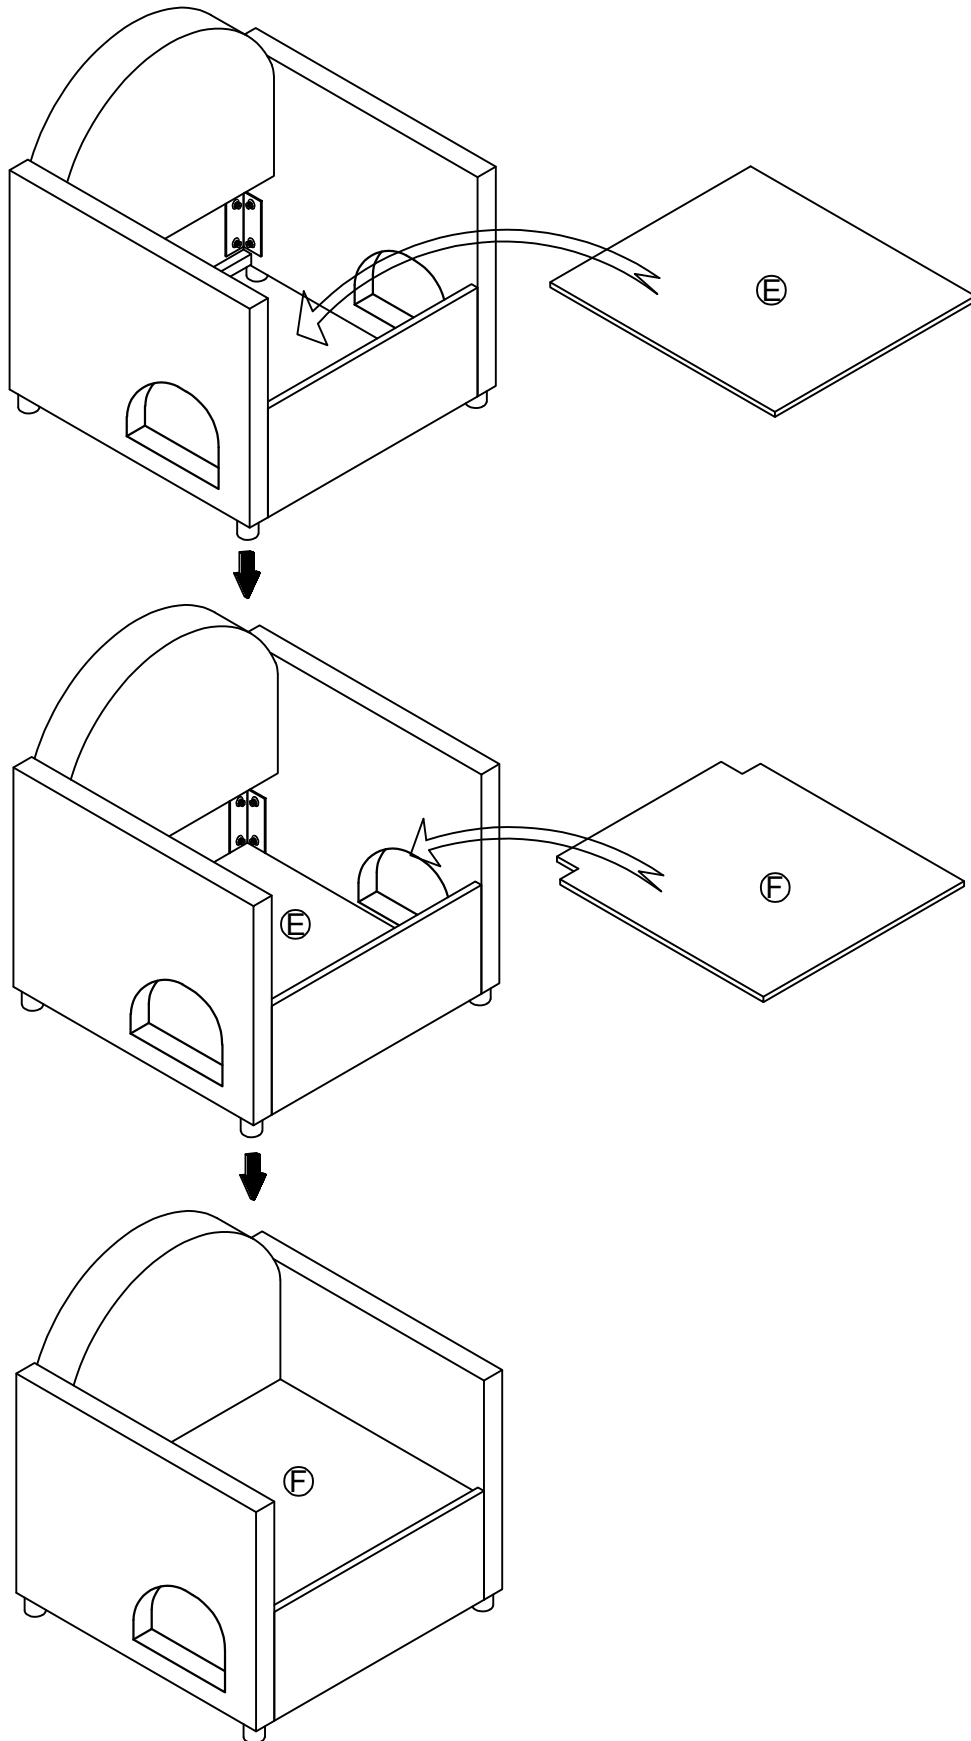

Note: Tighten the bolts (3) properly so you can adjust the Metal Pads (2) after assembly.

Step 3

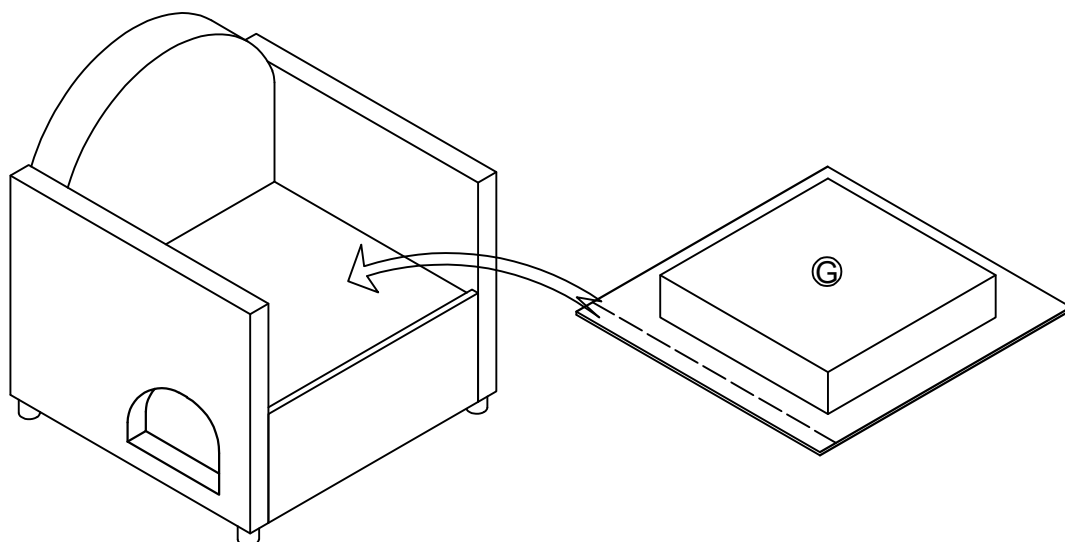

Attach the backrest (A) and Front seat base's frame (D) to the left arm (B) and right arm (C). Using one Bolt(3) by placing one Flat Washer(4) and one Spring Washer(5) on each one mounting position with Allen Wrench(6).

Step 4

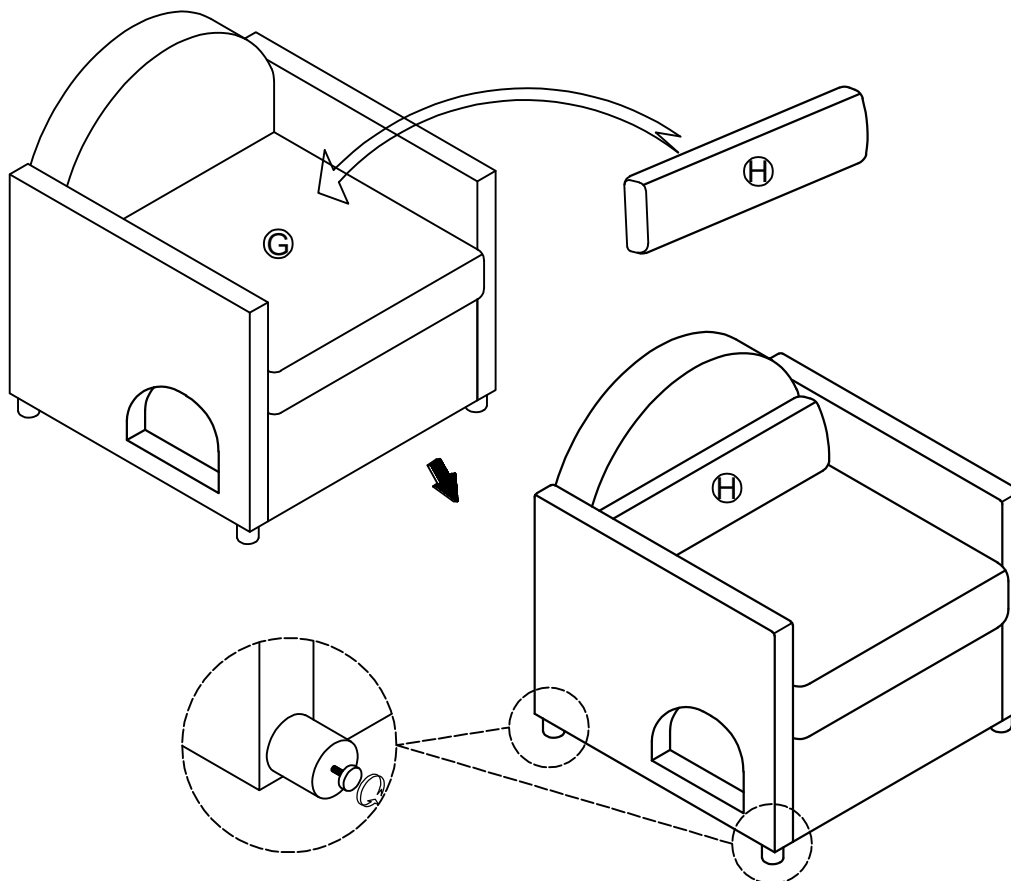

Install the seat bottom plate (E) and then the seat top plate (F).

Step 5

Unfold the seat cushion (G) and place it on the chair. A vacuum-packed mattress will fully recover its support capacity in approximately 72 hours.

Step 6

Place a backrest cushion (H) on the seat cushion (G).

Your Pet friendly chair.

This chair can only be used on a flat, level surface.

If the chair is wobbling, adjust the Legs knob as shown in the image above.
