

EXTREME FIRE "FIRE TOWER"
Installation and Operating Instructions
MODEL NO. #50201 FIRE TOWER

WARNING: If the information in these instructions is not followed exactly, a fire or explosion may result causing property damage, personal injury, or loss of life.

Do not store or use gasoline or other flammable vapors and liquids in the vicinity of this firepit when in use.

This appliance is designed only for burning wood, charcoal, and similar low-density materials. This appliance is not intended for use with coal or any high-density combustible materials.

This firepit can only be used on top of concrete pads, or bare dirt areas. Do not use this appliance on top of any wood or composite covered deck or walkway area. Doing so may cause the wood surface to catch on fire leading to property damage or personal injury.

This firepit can only be used outdoors in open areas.

Maintain a minimum of 10 feet, horizontally, between this firepit and any building structure or vehicle.

Do not attempt to transport this firepit while hot or when a fire is burning in it.

Hot Surfaces are Normal

Be aware that the surfaces of this firepit can be too hot to touch. This level of surface temperature is considered normal and does not indicate any hazardous situation. Use protective gloves when handling hot parts.

After each use, wait for the fire to burn out and cool completely before attempting to disassemble this firepit and package it in its transportation bag.

1.3 WARRANTY POLICY STATEMENT

Extreme Fire extends this Limited 1-Year Warranty to the original purchaser of this appliance provided the product remains in the original place of installation. The items covered by this limited warranty and the period of such coverage is set forth in the table below.

The original purchaser can register for an extended 2-Year Warranty (one additional year). Please see section 1.5 for details on registration.

Some conditions apply (see below).

The policy is not transferable, amendable, or negotiable under any circumstances.

1.3.1 Conditions

Warranty protects against defect in manufacture or Extreme Fire assembled components only, unless herein specified otherwise. Any part(s) found to be defective during the warranty period as outlined above will be repaired or replaced at Extreme Fire's option through an accredited distributor, dealer or pre-approved and assigned agent provided that the defective part is returned to the distributor, dealer or agent for inspection if requested by Extreme Fire. Alternatively, Extreme Fire may at its own discretion fully discharge all its obligations under the warranty by refunding the verified purchase price of the product to the original purchaser. The purchase price must be confirmed by the original Bill of Sale.

The authorized selling dealer, or an alternative authorized Extreme Fire dealer if pre-approved by Extreme Fire, is responsible for all in-field diagnosis and service work related to all warranty claims. Extreme Fire is not responsible for results or costs of workmanship of unauthorized Extreme Fire dealers or agents in the negligence of their service work.

At all times Extreme Fire reserves the right to inspect reported complaints on location in the field claimed to be defective prior to processing or authorizing of any claim. Failure to allow this upon request will void the warranty.

All warranty claims must be submitted by the dealer servicing the claim, including a copy of the Bill of Sale (proof of purchase by you). All claims must be complete and provide full details as requested by Extreme Fire to receive consideration for evaluation. Incomplete claims may be rejected.

Unit must be installed according to all manufacturers' instructions as per the manual.

All Local and National required codes must be met.

The original purchaser is responsible for cleaning and maintenance of the unit, as outlined in the owner's manual. As outlined below, the warranty may be voided due to problems caused by lack of cleaning or maintenance.

Repair/replacement parts purchased by the consumer from Extreme Fire after the original coverage has expired on the unit will carry a 90-day warranty, valid with a receipt only. Any item shown to be defective will be repaired or replaced at our discretion. No labor coverage is included with these parts.

1.4 OWNER REGISTRATION

All Extreme Fire products include a 1-Year limited Warranty. Extreme Product owners should register to qualify for the extended 2-Year Limited Warranty.

Owners should complete the form available at:

ExtremeFire.com/Warranty

Note: Your Extreme Fire dealer can assist with warranty applications and information.

Thank you for choosing Extreme Fire.
