Detailed assembly instructions Q1

The diagram illustrates the assembly of a cable connector. It features two exploded views of components Q11 and Q12, and two perspective views of the completed assembly. Component Q11 is a U-shaped bracket with a central slot and a small tab. Component Q12 is a rectangular block with a central slot and a small tab. The completed assembly shows two cables inserted into the connector, with the cables passing through the central slot of Q12 and the U-shaped bracket Q11.
