- If you get 2 feet they are for footboard only as headboard will be floor-standing
- Some beds have feet already connected

- Please do not use any tools other than those recommended in these instructions.
- Please do not discard any packaging until you have checked that you have all the parts.
- Assemble all parts loosely until advised to tighten. Depending on use, it maybe necessary to tighten the fittings from time to time.
- Please do not stand or sit on the beds parts while assembling as they may get damaged.
