

Murano Wall Clock 625650

WALL CLOCK: The Murano Wall Clock features a wrought iron textured matte black finish to complement your home decor. The clock's quartz movement makes a soft ticking noise without the use of chimes for a quieter environment.

DURABLE: This oversized, indoor modern clock is created to last as a home essential. It has a sturdy frame to relieve stress in a busy household. Display it in your kitchen, office, bathroom, bedroom, living room, and more.

HIGH QUALITY: Get decorative fixed, matte black finished gears in the open center with an ash veneered numeral ring finished in dark aged oak for a unique design. Easily tell time with antique brass on the Roman numerals, hour markers, and hands over the wooden dial.

MOVEMENT: It is powered by quartz movement and requires one AA sized battery. The visible gear assembly is not operational.
