

Fire Pit Warranty

Fire Pits, all fire pit accessories and components, excluding gas components, are warranted for a period of 1 years after date of purchase by the original owner.

Any returns sent back must be sent via prepaid freight and in the original retail packaging.

Proof of purchase will be required before warranty service is rendered. The sales receipt is the only valid proof of purchase.

Longevity is determined by the frequency and intensity of the fires and will be different for every user. Please feel free to call or email at any time if you should have questions before or after your purchase. It is our belief that our fire pits will be passed along for generations and decades to come. Enjoy!

SAFETY NOTE:

If you plan to use your fire pit on a wood deck, we recommend placing it over a protective pad or paving stones, which can be purchased at your local hardware store.
