Notes

1. The trees will naturally form wood knots, black spots, mineral lines, white edges, texture differences, etc. during the natural growth process. The appearance of the above conditions is not a defect, please make sure you don't mind before purchasing.
2. Please do not place anything too hot on the tabletop. It is important to avoid placing heavy objects on the table that exceed its weight-bearing capacity.
3. Children are not allowed to climb or stand on the product to avoid injury from tipping over. Children are not allowed to assemble the product. During assembly, keep small parts out of the reach of children as they may be fatal if swallowed or inhaled.
4. It is important to clean the table regularly with a soft cloth and avoid using abrasive cleaning agents that can scratch or damage the surface, and keep it away from sharp, pointed objects and corrosive chemicals.
5. This product is **waterproof**, but it can not be soaked in water.
6. Please allow the slight color difference caused by the shooting light and 1-3cm error due to manual measurement, and make sure you do not mind before you place the order.
