Assembly Advice:

Please take the time to carefully read through these instructions before you commence.
Keep these instructions for future reference.
We advise that the product is assembled in the room it is intended for.
We advise that you keep the hardware in a bowl during assembly to avoid losing anything.
We strongly recommend that you keep children away from the work area.
Small component parts could choke a child if swallowed.
We recommend you use a sheet or blanket to protect both floor and product through the assembly stages.
This product is heavy, and we recommend a 2 person lift to avoid personal injury or damage to the product.
Never push or pull the product as this could cause both personal injury or irreparable damage to product or floor.
We have tried to make this piece of furniture easy to assemble if the instructions are followed carefully.
In the unlikely event that you have problems with assembling the product or have missing or damaged parts, please contact your retailer and we will assist them in rectifying the problem as quickly as possible.
Please remember we strongly urge you DO NOT use power tools such as drill or electric screwdrivers as this could cause irreparable damage to your product and will invalidate your warranty.

Care & Maintenance:

- Do not put hot items directly on furniture surface.
- Do not clean furniture with harsh cleansers or polish.
- Do not place furniture under direct sunlight.
- Do not place furniture near heating or cooling vents.
- Do not write on furniture without a padded barrier to protect the surface.
- Do not place furniture outside. For indoor use only.
- Not for commercial use. For residential use only.
- Stains may be removed with mild soap solution and damp cloth.
- Children should not climb or jump on the furniture.
- Dust and pick-up spills using a clean, non-colored, lint-free cloth.

What is Proposition 65?

Proposition 65 is a California law that requires warning labels on products that may contain one of more than 800-plus chemicals or ingredients that the California Office of Environmental Health Hazard Assessment (OEHHA) has deemed to cause cancer or other reproductive toxicity. Chemicals and elements on this list include wood dust, brass, and other everyday substances, which can be found in very common household items, such as: lamps, tableware, jewelry, crystal glasses, electric cords, beauty products, automobiles, and furniture.

Why Did I Find a Proposition 65 Warning on My Home Goods Product?

We include Proposition 65 warnings on all of our products because there is always a chance that one of the 800-plus common chemicals and ingredients listed under this law could potentially be on our furniture or packing materials. We risk large fines under this law, if we don't include this warning.

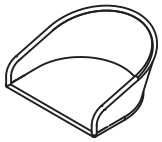

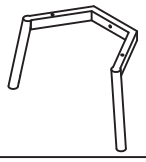

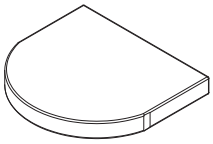

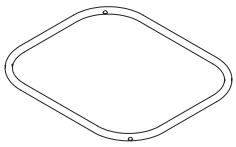

Should I worry?

We realize you may be worried finding this warning on our products, but we want to reassure you that the hazardous exposure limits for any of these chemicals have never been found on furniture products that we shipped to our customers. Additionally, this warning label is very common and can be found on almost every piece of furniture sold in the state of California.

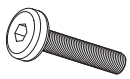

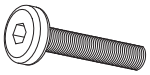

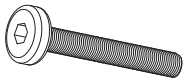

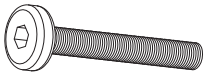

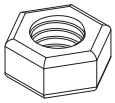

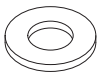

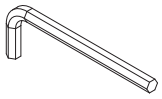

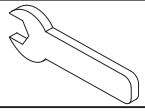

Just How Common Are Proposition 65 Warnings?

Proposition 65 warnings have become so common in California that it is hard to take a trip to a local bank, grocery store, or restaurant without finding at least one warning. In fact, even the Disney Land Resort has a Proposition 65 warning:
