SECTION A **Caution**

- DO NOT install the cover when it is windy or the roof is slippery.
- Be cautious when stepping on the ladder or the RV roof.
- It is ideal to install the RV cover with two people.
- Please use rags or foam to cover the sharp edges on your RV that may potentially tear the RV cover.
- Remember to retract all antennas and disassemble any roof equipment with sharp edges.
- To prevent scratches on the RV, please ensure the RV roof is thoroughly cleaned before installing the RV cover.
- When installing the RV cover, please be cautious when working on the RV roof.

SECTION B **Prepare your RV**

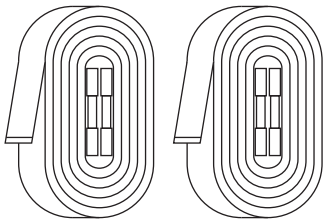

- Please make sure the RV is clean and dry before installing the RV cover.
- Please check the RV for any sharp edges that may puncture the RV cover.
- Please cover the gutter spout with the provided gutter covers before RV cover installation.
- Fold up the RV mirrors to ensure a snug fit.
- Keep the RV cover away from heat sources, like a stove or heaters.
- Turn off all electrical appliances before RV cover installation.

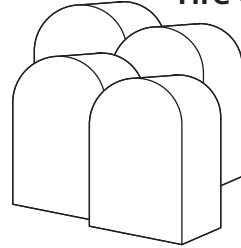

1. Unboxing: Remove all content from the box for inspection. In case of missing parts, accessories, or defective productions, please contact us.

Parts List

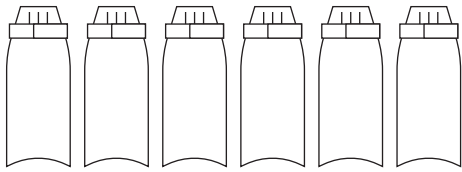

1 39.4-foot strap x 2

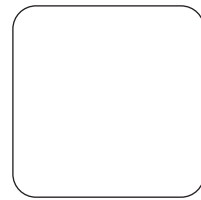

2 Tire cover x 4

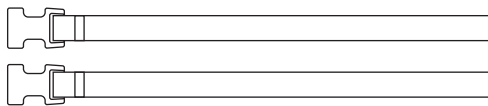

3 Sink bag x 6

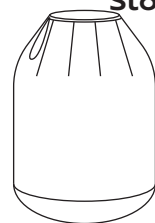

4 Patch x 1

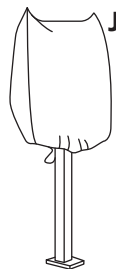

5 Throwing stick x 2

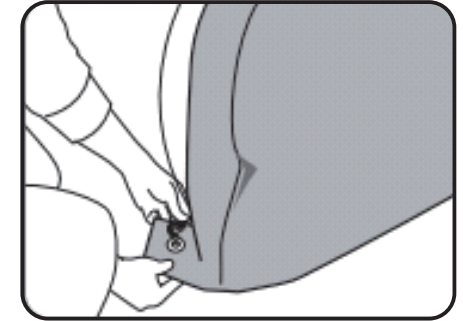

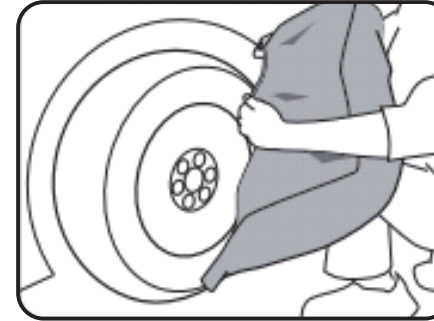

6 Storage bag x 1

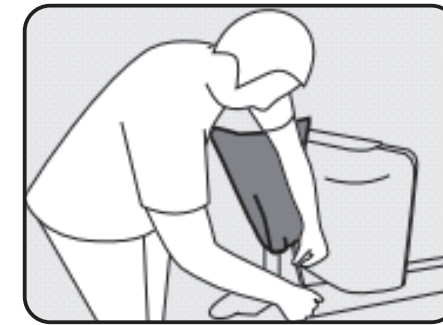

7 Jack cover x 1

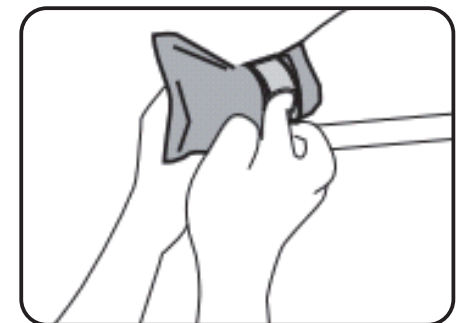

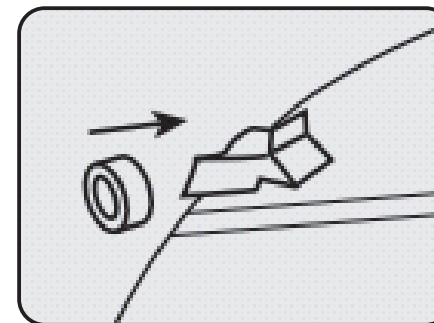

2. Install the four wheel covers onto the RV wheels and secure them with the elastic banding by the hook.

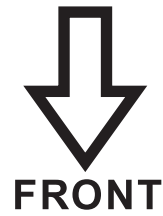

3. For the travel, place the jack, cover it, then pull the stripe tight.

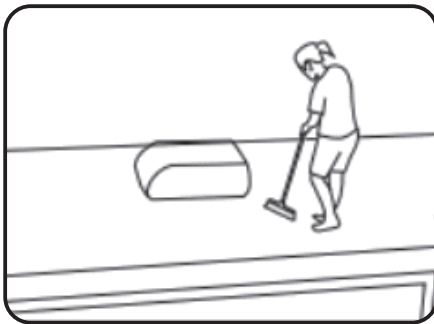

4. Please take the round foam out of the gutter cover and fit it onto the gutter spout. Put the gutter cover on and then secure it.

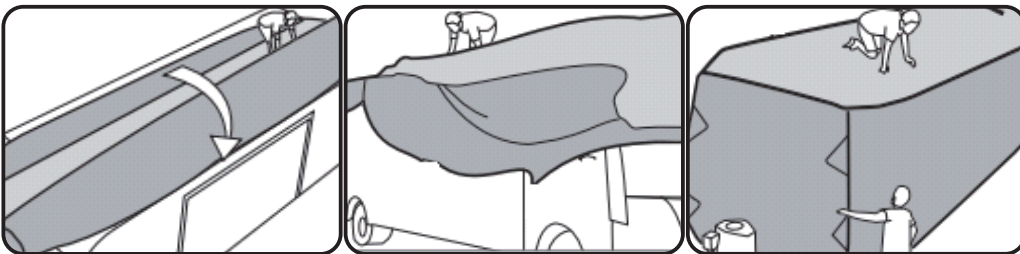

5. Spread out the RV cover evenly on the ground and locate the FRONT tags of the RV cover.

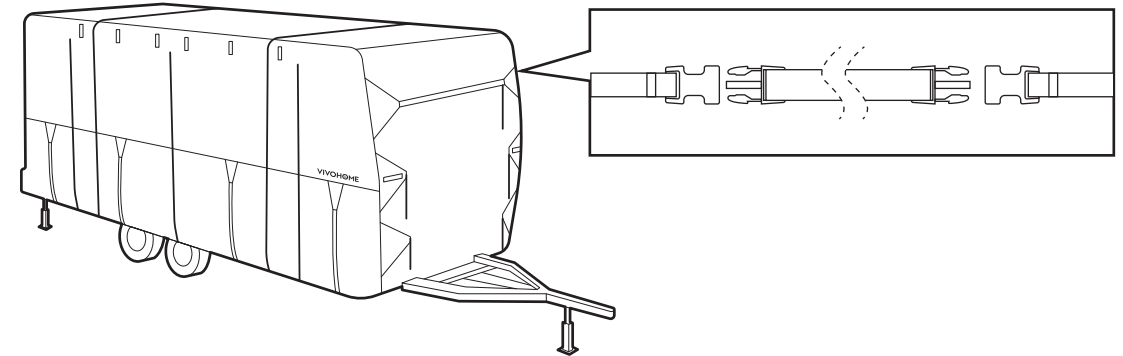

6. Sweep the RV roof for debris before installation.

7. Ensure the Front tags are on the corresponding side of the RV. Unfold the RV cover completely, drop the RV cover, and distribute the cover evenly.

8. Attach the front and rear straps, then pull them tight.

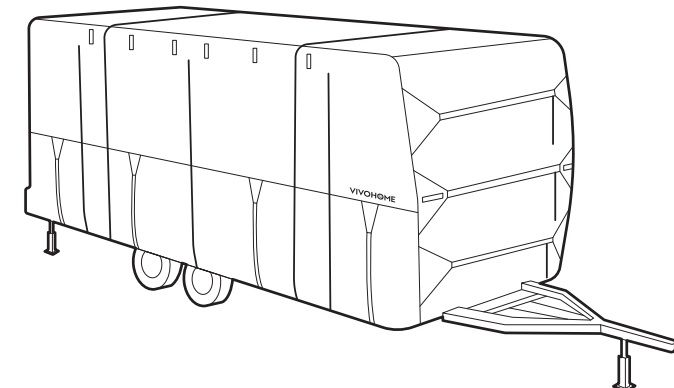

9. Connect the bottom strap with the throwing stick, then toss the straps under the RV to the other side. Unsnap the throwing stick, clip it onto the other side, and then pull it tight. Please repeat this operation for the other straps.

10. Toss the reinforced straps over the RV, then connect the throwing stick to the strap and toss the other strap under the RV. Unsnap the throwing stick, clip the buckle, adjust the strap location, and pull tight. Repeat for the other reinforced strap.

11. Installation complete.

SECTION D

Clean and Care

- We suggest using a sponge with a mixture of detergent and water when cleaning your RV cover.
- DO NOT machine wash the RV cover.
- DO NOT use a brush or complex objects to clean the cover.
- Please ensure the RV cover is dry when folding it up for storage.

If someone has punctured the cover, utilize the adhesive repair patch to fix it. You may cut off the repair patch and attach it to both the inside and outside of the torn part.

SECTION E

Warranty

The VIVOHOME warranty program is our commitment to you. We are committed to providing you with a high-quality product that meets your needs and expectations. To demonstrate our confidence in the durability and performance of our products, we offer the following warranty.

Warranty Coverage

This warranty program applies to any orders, purchases, receipts, or use of any products sold by VIVOHOME and is valid for a period of 1 year from the date of purchase. However, please note that this warranty period is only valid for the original order. If you receive a replacement order during the warranty period, it will not include a separate warranty period.

Warranty Exclusions

This warranty does not cover damage resulting from misuse, accident, unauthorized modification, or any other circumstances not directly related to the manufacturing and design of the product, including but not limited to:

- Parts lost during use.
- Normal wear and tear of products or parts.
- Incorrect installation (such as using the wrong voltage) or assembly.
- Exceeding the bearing capacity of the product.
- Use under extremely harsh conditions.
- Improper cleaning or maintenance.
- Damage caused by any reason other than the intended use of the product.
- Indirect loss or damage caused by the product.

How to Make a Warranty Claim

If you find any defects that affect the use of the product or if the product stops working and cannot be repaired during the warranty period, please contact our customer service team at our email or via Amazon & app's direct messaging service as soon as possible. Provide the following information to expedite the process:

- Order number
- Images and/or videos illustrating the issue
- A detailed description of the problem

VIVOHOME will provide technical support, replacement, refund, or other solutions based on the nature of the issue. If you wish to return the original package for any reason, please contact us for confirmation before proceeding. You can expect to receive a response within 48 hours.

Thank you for choosing VIVOHOME. We are committed to ensuring the quality and satisfaction of your purchase. If you have any questions or need assistance, please do not hesitate to contact our customer service team.
