Tips For Assembly

1. Allow ample room for assembly and in close proximity to where product will be placed.
2. Assemble the product on surfaces that do not cause scratches to the exterior gloss and finish.
3. Please check all of the parts and quantities are included before assembly. Contact customer service for missing parts.
4. Identify all of the parts, hardware and quantities required for each step.
5. During assembly, do not over-tighten any fittings as this may cause damage.
6. Always place the product on a flat surface.
7. Do not sit or stand on the partially assembled product, only use the product for which it is intended.
8. This product is for indoor and household-use only.
9. This product does not have a hollow board.

Care and Maintenance of your Furniture

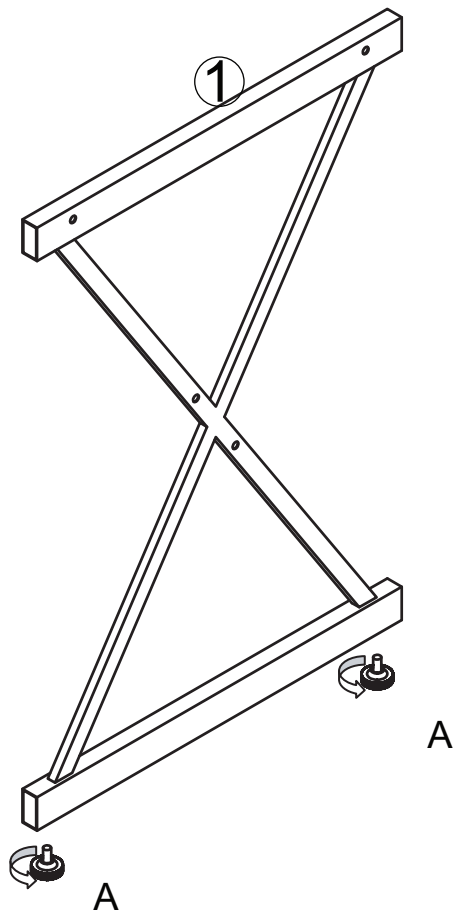

- * Check all the fittings periodically and re-tighten as necessary.
- * Use a damp cloth to wipe and clean the product.
- * Do not allow liquid to remain on the furniture. Liquid can cause damage to the furniture.
- * Do not place hot items (e.g. hot drinks) directly on the glass surface.
- * Do not drag, push or pull the furniture.
