This fabric is the latest fabric version of the beautiful Rodeo seating series from the collection of the Dutch brand BePureHome. This Rodeo Stretched armchair/loveseat is modern, chic and contemporary. This 1.5 seater armchair is generous and features a beautiful, soft and rich fabric in a nougat tint. This fabric gives the armchair a chic look. Because of the slim frame and loose cushions, the armchair subtly shows in the living room.

The legs are made of black metal. The seat height is 45 cm, the seat depth is 60 cm and the height of the armrests is 68 cm.

For hard floors, place felt glides under the legs. This prevents damage to the floor....
