- ❑ YB5422WR – 24" Towel Bar
Wrought Iron Finish

Dimensions:

Installation Instructions:

Directions below are for installation into drywall. If installing product into a stud, use the wood screws only.

1. Remove mounting posts from the product assemblies by loosening each setscrew.
2. Position the mounting template on the wall in the desired location
3. Using a level, align the template and tape it to the wall.
4. Drill two 5/16" holes at each mounting post location that corresponds to your product.
5. We recommend using the horizontal holes for drywall installation.
6. Remove the template from the wall.
7. Fold ends of the plastic toggle anchor together and insert into each hole in the wall.
8. Lightly tap anchors until flush with the wall.
9. One at a time, insert plastic pin into each anchor and lightly tap to activate anchor.
10. Remove pin and repeat on all anchors.
11. One at a time, place each mounting post over anchors (notch facing downward) and insert screws through post into anchors.
12. Tighten screws.

Materials:

Towel Bar posts are constructed of zinc. Bar is aluminum.

Cleaning Instructions:

To preserve the fine finish of this product, clean only with a soft damp cloth. Dry well. Do not use commercial or abrasive cleaners.
