

SAFETY FIRST. STABILITY ALWAYS.

Our Interlock System helps prevent tip-over accidents.

HOW IT WORKS

Only one drawer opens at a time.

Prevents multiple drawers from opening together.

HELPS PREVENT TIP-OVERS

- ✓ Meets 2023 U.S. Furniture Safety Law
- ✓ Designed for safer everyday use

*When properly installed and used.

STRONGER SAFETY FOR YOUR FAMILY

KEEPING YOUR FAMILY SAFER, EVERY STEP OF THE WAY.

PLEASE NOTE

Because of this interlock system, drawers may require more effort to open and close.

May require more effort to open.

May require more effort to close.

Built for families. Designed for safety. Peace of mind that goes beyond.
