

尺寸:152*225mm

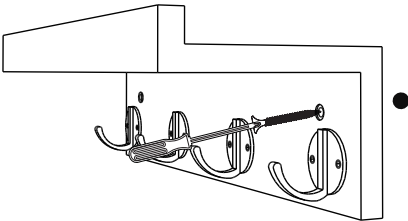

INSTALLATION INSTRUCTIONS

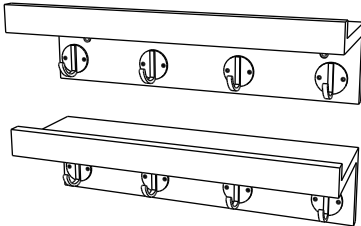

1	2	4	3
			 Big Screws x4 Small Screws x16
Wooden Board x2	Hooks x8	Expansion Tube x4	

INSTALLATION STEPS

- 

Use Small screws to fix all 8 hooks on the reserved mounting holes of the wooden board.
- 

Locate and drill holes on the wall according to the distance between the wooden board mounting holes, and insert the expansion tube.
- 

Pass the screw through the wooden board, screw into the expansion tube and tighten it.
- 

Adjust the placement of the 2 wooden boards freely.
