Before you start...

Ensure you have received all cartons and familiarize yourself with the workload. Make sure there are enough helping hands to assist you, and that you have allocated the time required to assemble your new product.

Make sure you have cleared enough space in your home for the assembly. We recommend protecting your floor with a mat or cardboard to avoid scratches during the assembly process.

Read instructions carefully and check no parts are missing.

Lay out all hardware on a soft surface so you can easily identify them.

Carefully identify all components in order to differentiate which pieces are left and right.

Install your new product carefully following the instructions. Don't skip ahead!

DO NOT over tighten screws or use a drill. It will damage the product.

If you need further assistance with assembling your product, please chat with us

60 mins

Step 1

Ensure your floor is properly protected.

Take out Panel (1), (3), (4), (9), and (10).

Screw Cambolt (A) to Panel (1)(don't over screw).

Plug in Dowel (C) into the center of the holes of the each side of the Panel (3), (4), (9), and (10).

*Don't screw too deep

Step 2

Ensure your floor is properly protected.

Take out Panel (5) and (6).

Screw Cambolt (A) to Panel (5) and (6)(don't over screw).

Plug in Dowel (C) into the center of the holes of the each side of Panel (5) and (6).

*Don't screw too deep

Step 3

Ensure to use a floor protection such as cardboard to prevent scratch on product and floor.

Install Panel (10) onto Panel (6) by inserting Camlock (B). Tighten with the Allen key (E) provided or a screwdriver.

Please ensure the correct camlock placing orientation. Check the illustration carefully.

Step 4

Install Panel (9) onto assembled unit by inserting Camlock (B). Tighten with the Allen key (E) provided or a screwdriver.

Step 5

Install Panel (5) onto assembled unit by inserting Camlock (B).

Tighten with the Allen key (E) provided or a screwdriver.

Step 6

Install assembled unit onto Panel (1) by inserting Camlock (B). Tighten with the Allen key (E) provided or a screwdriver.

Place Screw Cap (F) over the Camlock (B).

Step 7

Install Panel (3) and (4) onto the assembled unit together by inserting Camlock (B).

Tighten with the Allen key (E) provided or a screwdriver.

Place Screw Cap (F) over the Camlock (B).

Step 8

Ensure to use a floor protection such as cardboard to prevent scratch on product and floor.

Slide in 2 pieces of Back Panel (11) onto the assembled unit.

Install 2 pieces of Panel (2) onto the assembled unit by using Screw (D).

Tighten with Allen Key (E).

Step 9

Take out support metal Leg (L), (K), and (J) and prepare as shown on the illustration.

Illustration 1:

Insert Support Corner Brace (N) and place it inside Leg (J) tube. Please see the illustration for the correct direction.

Insert Screw (O) into the hole of Corner Brace (M). Screw in slightly just enough to grip Leg (J) with Support Corner Brace (N) inside. Do not tighten.

Illustration 2:

Install the prepared Leg (J). Ensure the Corner Brace (M) hooks onto the hole of Support Metal Leg (K) and (L).

Screw in just enough to grip the support using Allen Key (E). Do not fully tighten.

Repeat for the other legs

Step 10

Illustration 1:
Install the two assembled leg units from Step 9 onto main assembled unit by inserting Screw (P) and tighten it with Allen Key (E).

Illustration 2:
Tighten all the Screw (O) on the assembled leg unit.

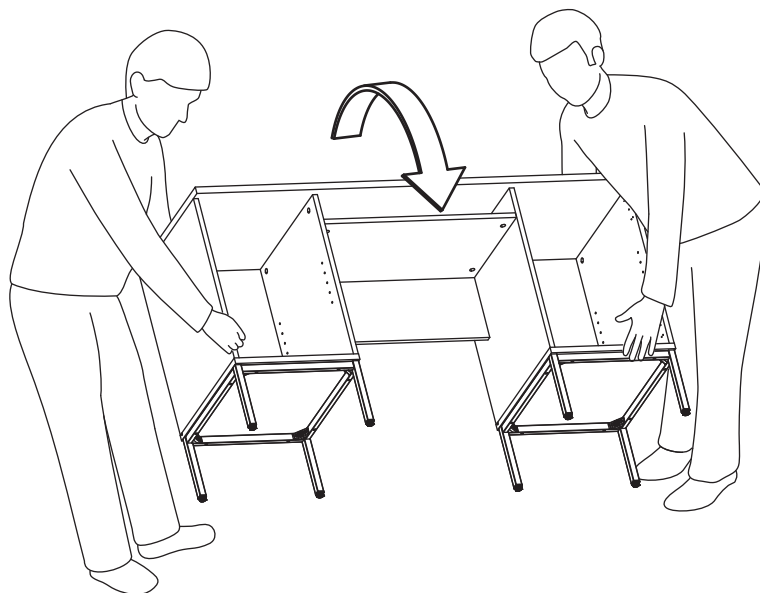

Step 11

You will need an extra pair of hands for this step.

Lift the desk up by holding on to both ends, turn the assembled unit while ensuring that the legs do not touch the ground.

This is to prevent uneven weight distribution during turning of the assembled unit which may cause middle support panel to break.

Step 12

Insert Shelf Pin (I) onto side and divider panels in your desired position.

Place 2 pieces of Shelf (7) on the Shelf Pin (I).

Step 13

Fasten Hinge (G) onto 2 pieces of Door (8) using Screw (H).

Tighten with a screwdriver.

Step 14

You may require an extra pair of hands to complete this step.

Uneven floor may result in misaligned doors.

Install Hinge (G) onto assembled unit using screw (H).

Tighten with a screwdriver.

Step 15

Gently adjust Back Panel sideway in either direction until the diagonal measurement of the frame are equal and perpendicular.

Holding the assembly in place, fix the Wedge (Q) with Screw (R) as shown.

Step 16

Adjust the door alignment when necessary by adjusting the screw.

Please see the illustration to find which screw for each door direction adjustment.

Step 17

Before adjusting the leveler, move the product to the desired position.

Please always lift the product when moving it. Dragging the product will cause damage to the floor and legs.

2 persons required to moving the product.

Once on the right position, in the event of imbalance, adjust the leveler of each leg accordingly.

Finished!

Congratulations! We're almost there! Please perform following checks to ensure assembly is properly done.

- Ensure all legs frame are fully tightened, please refer to Step 10.
- If the door's gap is misaligned, please refer to Step 16.
- if the product is imbalanced, please refer to Step 17.

Move your product carefully, with 2 people lifting it to the preferred location. Clean the product with a dry cloth. You are all set!

Enjoy your fresh and updated living space thanks to the addition of your new product!

Warranty & Return

1 YEAR LIMITED WARRANTY STATEMENT FOR MANUFACTURING DEFECTS

Please read this limited warranty carefully. To maintain your warranty, you will need to comply with the conditions stated here. This warranty is for manufacturing defects only and does not cover damages as a result of misuse.

1. Please be sure to register your product to activate your warranty. We recommend you doing so within 30 days upon receiving.
2. Your new product comes with 1-year warranty against manufacturing defects, upon activation. The warranty starts on the date of receipt. No warranty will be honoured without a proof of purchase. The warranty and financial responsibility of the manufacturer only applies to the products itself.
3. Manufacturing defects include circumstances where the product has broken under normal use and no longer provides proper support. In the event you encounter a manufacturing defect, please stop using this product immediately and contact customer service.
4. This warranty applies only when the product has been properly used by consumers who purchased the product from authorized channels as a new product. Proper use means using the product on a level surface where all legs touch the floor with an equal distribution of weight. Proper use also means that the product was not abused by the consumer, as defined by the manufacturer. This warranty does not constitute agreement to replace other parts.
5. If the product fails due to manufacturing defects, the manufacturer will repair or replace at its discretion and reserves the right to substitute comparable materials or models and does not guarantee that the replacement part will match existing pieces.
6. In the event the product needs to be inspected by the manufacturer to determine a warranty claim, the transportation cost or removal cost is borne by the consumer.

30-DAY RETURN POLICY

We believe you will be thrilled with your purchase . That's because we go out of our way to ensure that products are designed and built to be just what you need. We understand, however, that sometimes a product may not be what you expected it to be. In that event, we invite you to review the following terms related to returning a product.

The Return

Returns are to be made within 30 days of the date you received the product. To initiate return request, please message us or contact our customer service team with your reason of returning so we can facilitate the request and issue return authorization to you. Please note the policy is subject to the conditions below:

1. Only undamaged items in original packaging will be accepted under the Returns Policy. Any items that are not returned to us in the original packaging and/or in original condition will incur an additional handling fee (deducted from your refund). It is your responsibility to package the item sufficiently to avoid damage in transit back to us. We encourage customers to photograph the items scheduled for return and the condition of the packaging before handing over to the delivery company.
2. We will not refund a product that you have bought and received where, in our reasonable opinion, the product has: become of unacceptable quality due to fair wear and tear; misuse; using it in an abnormal way; or failure to take reasonable care.
3. We will not be able to offer standard return policy after 30-day timeframe has passed. However, our customer service team is always an email away if you require further assistance with your products.

The Refund

We will assist you to complete the return process. We will perform standard inspection upon your return is received and will send you a message to acknowledge the return if item is presenting in original condition with original packaging.

You will be refunded the full amount less return shipping cost. Please note that while shipping charges on original deliveries are subsidized, on returns the full shipping amount paid to the delivery partner will be deducted from your refund. **All refunds will take 2 business days to process upon return acknowledgement from us, however actual fund reversal date will depend on your card company's own processing schedule.**

Kindly note, in the event of returning a defective or damaged item, **we will however absorb the shipping charges and ensure your return/exchange experience is hassle free.**

The Exchange

We put quality as one of our top priorities – we work with experienced manufacturers and have every piece of product going through strict quality control process. We want to make sure your product reaches you safe and sound, however we are happy to do an exchange in case you receive a defective or damaged product due to any unforeseen hiccups throughout the journey. Please message us or email us with proof of defect or damage, our customer service will evaluate the exchange request, and assist you throughout the process accordingly.
